

*Crime Analysis Unit
Intelligence & Organized Crime*

December 1, 2017

A/Inspector J. Gullage
O/c Intelligence & Organized Crime
Royal Newfoundland Constabulary

A/Insp. Gullage:

In April 2015 the Crime Analysis Unit completed a request regarding calls for service of the Protective Services Unit (PSU), at your request.

The RNC Integrated Constabulary Automated Network (ICAN) was queried for related calls for service since 2010. CM Malin Enstrom compiled statistics regarding the calls for services on April 8, 2015. Cst. E. Benoit subsequently provided a list of PSU investigations and related entities. Analysts then cross-referenced this information with the query results. On June 17, 2015 a list of files responded to by the PSU including persons of interest and associated file numbers was completed. A copy of each document is attached for your information.

I trust this is satisfactory.

Respectfully,

Cst. L. Downton, #663
