Writer contacted and spoke with Dr Walsh who advised he would not be giving a statement due to patient confidentiality issues. Writer asked if Mr Dunphy had any mental health issues that caused any concern and Dr Walsh advised "there was nothing, not a thing". Writer asked if there was ever any indication of violence from Mr Dunphy and Dr Walsh advised "never". Dr Walsh advised he has not been Mr Dunphy's family Dr for a number of years however has seen him on a couple of occasions when Mr Dunphy's current Dr, Dr McGarry, was away. Dr Walsh advised he never had any issues with Mr Dunphy.
