Superintendent Sheppard,

As per your request, the following databases have been checked:

**ICAN** – Negative

**DMS** – Negative

**Facebook** – Negative

**Twitter** – As discussed

**CPIC** – Two (2) CDSA convictions in 2001 for possession and production. (Dunphy was also charged with uttering threats in 2005, which was later withdrawn)

**MRD** – Provided address for Donald James Dunphy (DOB 1956-08-23) - PO Box 270, Main Road, Mount Carmel, NL

**ACIIS** – One (1) intelligence debriefing submitted by Cpl. W.J. Dwyer from 2005, which makes reference to Donald Dunphy and [REDACTED] growing and selling marijuana throughout the summer.

I also spoke with Cst. E. Benoit and advised him to complete a synopsis of the ICAN file in relation to today's incident. If you require any additional information, I can be reached at [REDACTED]

Scott here is all I have on Mr Dunphy. See below from Deputy Singleton. Please also check for the threats file against Premier Davis that Cst Smyth was investigating. If you can't find a record of it in ICAN or it is restricted then call me. You should be able to get his Dob from

MRD I assume.

Before 900 pm tonight would be appreciated.

Thanks

Jason,

The spelling on the surname is DUNPHY and his first name is DONALD, he would be about 58 years old. He lives in Mitchell's Brook, which is part of Mount Carmel.
