**Attachments:** 2015-01-23\_NCIT\_Officer\_Awareness\_ISIL\_Re-released\_Video\_EN.pdf

The attached document is intended for law enforcement personnel only; I am forwarding however in light of the fact that Premier Davis fits into a unique category of being a former police officer, and now public Government leader. Please do not distribute further.

The 3rd page outlines some basic characteristics for us to be cognizant of. Of particular note for Political staff to be conscious of would be of course individuals who espouse radicalized rhetoric, but perhaps more vital are individuals who may carry out site surveillance of government offices, personal residences, or outside venues. Please report any suspicious activity to Doug or myself. No circumstance is too small to bring to our attention. This behavior is at the top for those who carry out acts of targeted violence.

If you have concerns about the behavior, or mere presence of any person, please do not hesitate to let us know.

Thanks  
Joe
