INVESTIGATIONAL FINDINGS/RECORD BOOK

Year/Month/Day	
Sunday March 5 2015	I never got involved in detail about the incident as Ramp was investigating that part. but I did make sure that they were aware that on Monday he needed but were there to assist. I also made this clear with Sgt Rod Tiller. I never took written notes when speaking with Jay because this was a critically incident stress debrief. I did however return to HQ and complete those notes. Jay did state what I was speaking to him with Reg present at Ramp. He said that there were - he was there on expectation - he needed Ramp that he would be in the area of Michael's back - while in the apartment he observed a lot of cats (30) bags on the floor and had concerns for Marshall - said which he was writing out the file. Ramp appeared to get agitated. - Ramp pulled a gun out and Jay said "NO NO NO NO NO" - and then shots were fired three maybe four by Jay. - I again advised Jay to wait until he settled down before going to the incident before giving his story.

INVESTIGATIONAL FINDINGS/RECORD BOOK

Year/Month/Day	
160515 June 2 PM	Met and spoke with O/Sgt Grant Little of Saskatoon, Police Service at RNC CEO Master Room concerning Mitchell Brock shooting in relation to policy which he is reviewing. I informed him I did not attend the scene just conducted a Critical Incident Stress Debrief with A/Sgt Smith in relation to this matter. I never did see Smith from arm or seize it on the day in question. As far as I was concerned it was the same jurisdiction and they would do the entire investigation. I informed Little that I received the information on the shooting from A/Sgt Tuley on the day in question.
