Subject: Interview clarifying points

Ms. RASMUSSEN,
There are a couple of points I wanted to clarify for the Commission:

The fact that Cst Smyth was referred to as a victim may have resulted from the initial file that was scored as pointing a firearm (File created by RCMP Telecoms). Cst Smyth would be considered a victim for that offence. Cst Smyth was obviously considered a suspect in the homicide investigation.

Also text messages were used to communicate with both Cst. SMYTH and Meghan DUNPHY.
Unfortunately I was unable to capture these messages for disclosure.

For the final Investigative Report Sgt. OSMOND initiated this report and assisted on it. I developed the report and completed it.

Thank you,

Steve
