Subject: Twitter - Facebook - Threats to Premier or MHA's

Hello Folks,

I would ask that if any of you find any Facebook or Twitter posts that are threatening towards any government officials that you please send them to Insp. Joe Gullage, OIC of our Intelligence Unit, so that we can do the appropriate threat assessment in a timely manner. He will then have it disseminated to the Premier's Protective Services, CEO, Patrol, Confed Bldg Security, etc so that officers are aware of any threats.

Thanks for your continued excellent work !!

j
