Joe I don't see any issue with it. And it's also routine so it's not an uncommon or unusual request. I suggest that you contact Brad [REDACTED] for a quit chat since you have already been talking to him on this situation.
I would do that.

Gentleman,

I have completed my case summary for the intelligence file and incident that occurred in Mitchells Cove on Sunday. I anticipate an internal investigation and wasn't sure if you wanted me to add any

additional information at this time. I will complete a use of force form to add to the master file as I could not see one on ICAN. I will add any additional information and documentation you require.

Thanks

Joe
