Thanks Ab. Have you heard how many RNC members at initial call?

Peter McKay will be our media. Just getting him engaged. Already have CBC calling. We are not rushing to the mics.

Thanks Andrew,

We do have two supervisors traveling to area, strictly to assist from an EAP perspective. Officers advised the file and media are the RCMP's responsibility. Any issue please advise.

Ab,

Just got this:

We have 3 members on scene another 2 called. Scene is secured

MCU /FIS have been called.

RNC members weapons are being seized.

Tiller enroute to the scene.

Once MCU takes scene we look at some type of media.

Once Tiller on scene he will assess and update me.

We will have a better idea of what we need.
