Thanks Ab. From my knowledge of the investigation, considering the stage it is in, at this time I don't think an internal would interfere. I will confirm with the OIC MCU and investigation lead investigator and advise.

Thanks
Andrew

Andrew,

The RCMP are investigating the criminal aspect regarding the death of Mr. Donald Dunphy on April 5, 2015. It is the RNC's intent to conduct an internal investigation and have this conducted by a police service from outside the Province.

We would not want the internal investigation to impact your criminal investigation. Therefore, can you arrange to have the RNC notified when your investigation is at a point that our internal would not interfere with it.

Any questions please advise.

Thanks

Ab
