Rick,

I have been in contact with Chief Superintendent Boland of the RCMP with regard to the status of their criminal investigation. They feel we can commence our internal investigation and not impede their investigation.

Can you give me a call to discuss.

Hello Ab

Sounds good. That is the same process we follow here. I am glad to help if I can and will call you toward the end of the month.

Rick

Rick,

We don't see any immediate requirement for this internal. The criminal investigation regarding the shooting is being conducted by the RCMP. I would see the internal being started when they have concluded most of their investigative work, as to avoid any perceived conflicts. However, this is something we can discuss in the next week or so to identify a clearer timeline.

In a separate email, I will be forwarding a formal letter of request to your Chief from our Chief, Bill

Janes. I will copy you in that email.

Any questions please don't hesitate to email or call.

Hello Ab.

Our Chief, Clive Weighill, contacted me and said I might be of some assistance to you with an oversight on a shooting incident.

I am currently an Inspector in the Detective Division and Major Crimes (Homicide) is one of my Sections.

What would you require and when would you prefer me to come out? The best time for me is any time after May 11th. If this is emergent I may be able to find someone else sooner however we have three fresh homicides on the go and haven't made arrests on any of them, although we have good suspects.

Talk soon.
