In response to this request.

The Saskatoon Police Service has been contacted by the RNC to conduct an internal review into an officer-involved shooting that occurred on April 5, 2015. Such a review is standard practice when serious incidents of this nature occur. The RCMP is continuing to conduct the criminal investigation into the matter.

Alison Edwards of Saskatoon Police says one of its officers is coming to Nfld. as part of an internal investigation into an officer-involved shooting that involved the RNC.

We're looking for a comment from the RNC. Thank you.
