Steve,

I am having MCU provide info to me on CA matter.

With regard to internal being conducted by Saskatoon.

I can confirm that a formal request was made from the office of the Chief of Police to the Chief of Police, Saskatoon Police Service on April 16, 2015. With regard to the scope of their duties, I would not comment as the criminal investigation is ongoing.

I notice the latest request is from the Telegram and our initial request was from CBC. I feel it would only be fair to provide CBC with the date the formal request was made.

One- Has the RNC called in the Saskatoon Police Service to assist in an internal review of the Don Dunphy shooting? If so, when did that happen? What, if anything, can be said about the terms of service/assistance- ie. What exactly will they be doing?

Two- Has the RNC been involved at all in the case of the double murder/stabbing in California, involving the 52-year-old St. John's man and his 15-year-old daughter? Just covering the bases.

Let me know.
