Subject: Premiers's Detail

Good morning Joe, I have passed on all the information you provided me with, with respect to our two most recent telephone conversations around the Premier's Detail going forward to S/Sgt. Gary Styles, Cpl. Douglas Noel, CROPs and the A/CO.

I spoke with Doug directly and he indicates that he was **not** involved in the Dunphy investigation. Further, I do not think that Doug will be in this position much longer and may be moving on to bigger and better things. (50/50 chance of being promoted, only two applied for the position). Should Doug be moving on we will supply a member taking into consideration the members involvement with the Dunphy investigation.

If you need anything give me a shout, thanks.
