Inspector S. Bill

I do not have any email or notes in relation to the incident on April 5th,2015. I did however receive a phone call on my cell phone from Staff Sergeant M. Adams on the date of the incident to advise me of same. This was done as A/Sgt. J. Smyth requested that I be notified. I did sent an email to CIU members after the call from S/Sgt. M. Adams on April 5th, 2015 and an email to A/Sgt. J. Smyth on April 6th, 2016.

Hi A/Inspector Gullage,
The RNC is required to produce a number of documents for the Commission of Inquiry into the Death of Donald Dunphy. As you were the officer in charge of CIU on April 5, 2015 when the shooting occurred in Mitchell's Brook, can you please check for any email communications and/or notes that you may have relating in any way, to the incident. Should you have any of this requested information, please forward same to me ASAP. You can copy the info or scan and send it to me.. it doesn't matter what format you choose as we have to provide it in both (so go with whatever is the easiest for you.) Should you not have any applicable emails (received or sent) or any notes, then I will need email notification of that.

As we are under a strict timeframe to produce the information requested, Please respond by Friday October 21st..
