Ab,

The investigation team does not see any reason why the RNC should not commence it's internal. If the internal investigators require anything from the ops investigation, they can deal with those issues as they arise, though we see nothing that would be an impediment.

Thanks
Andrew

Andrew,

Can you check on the status of your investigation? As you know we would like to commence our internal investigation, but would not want to do so if it would interfere with your criminal investigation.

Thanks

Ab

Thanks Ab. From my knowledge of the investigation, considering the stage it is in, at this time I don't think an internal would interfere. I will confirm with the OIC MCU and investigation lead investigator and advise.

Thanks
Andrew
