10:15 meet w/ Riche / Burke / Cell.

Things Le wants to know:

① Dumph's daughter in every day - sees gun below couch - but never explains. Smyth says he picked up gun by chair

meat was in an upswing. Dennis / Easter Sunday.

Smyth looking for a fugitive.

How did gun get from sofa to chair?
did someone call to forewarn him?

- hard to put Smyth's story with evidence of gun locations.

- has concerns over bullet trajectory (OCME) & Smyth's version of shooting scenario

② - location of rifle not consistent with being shot as Smyth said

③ Smyth slips up saying couch instead of chair

③ Polygraph on Smythe not required - who said that & why?

why not do it? - explained.

④ Feels confrontation took place between the . Dunphy got the gun from behind couch & said 'get the fuck out'.

Feels Dunphy may have been shot from the little hallway.

"how he had to fall" - why did he have the gun out.?
