Thanks Rod,

Before we release the scene please check with me or Cpl Burke.....we plan on interviewing the RNC member tomorrow and until we get his version, we should keep continuity just in case we need to go back for any reason.

Thanks

Kent

Folks - we need to keep the scene till after the Autopsy results are known tomorrow - as a result, we have tonight covered till 0800 hours tomorrow then Trevor O'keefe and Stephan Remillard will take over at 0800 hours tomorrow morning till we are in a position to release same. Even after we will have to deal with the cat issue - hopefully SPCA will step up and assist.

Trevor - please maintain contact with the SPCA to follow this matter through.

Tks
