Thanks Greg. Further discussion at our meeting. I'm not big on putting out the number of shots fired and the number of hits etc. Multiple shots were fired by the officer may suffice. Public perception may take a swing to "overkill" when we get into the specifics here.

Again we can discuss further at the meeting.

Pat

Greg,

Please review and ensure that we are consistent with our language through out the release.

Ie Royal Newfoundland Constabulary Officer

We jump around regarding RNC Member etc

other than that once we have our briefing hopefully we can fill in some blanks and then do the media release.

My thoughts

Thanks

Jamie

Sirs, Sgt, Cpl...

Here is a combination of the suggestions received from all of you. For your review and revision at your meeting. Let me know when its time to head out to Holyrood and I will manage from there. I have already had a number of requests for on camera interviews later this afternoon or this evening re our anticipated updated media release.

Rod, I may need a hand later at your office re anticipated media arrival. Time to be determined.
