When we arranged the re-enactment, Sgt SMYTH indicated that he has a CIS debrief at mid-afternoon that he is not willing to miss. We committed to him last night that we would accommodate him and his schedule. I have advised Steve of the time crunch and he will speak with SMYTH when he gets out there and ask for accommodation if possible. We have to do what SMYTH asks though.

I can bring the observer out to the scene as soon as you tell me to turn the key on the car. Maybe we can make it all fit.

We may have a retired judge. we will find out in about 15 minutes. If so we will need you to possibly take him out to the scene. Also we will have to hold off on re enactment until this afternoon.
