Hi Chris,

Thanks for the information. I will wait contact from this individual and provide options I am aware of.

For your information, the Carbonear Regional Office has received a referral (via email) on this matter. I have instructed the Coordinator to go back to the officer who made the referral to advise that it does not meet our mandate and therefore she will not be following up on the referral. However, she will also inform the officer of the conversations you and I have had about a plan and welcome him to contact Insp. Cahill if desired.

Great that the officer was thinking about Victim Services and referrals! Positive.

Thanks Anita

Anita,

Thank you for the call this afternoon. I have passed your contact information along to the Officer in Charge of Major Crime, Insp. Pat Cahill, and he will ensure the conversation with the daughter of the deceased is framed as per our discussion....understanding that you are acting in the capacity as a referral resource for any community program services/supports that she feels will assist her through recent events and not under the defined mandate of Victim Services.
