Hi Steve

It was Anita whom I talked with this morning and I believe she has been talking with Chris Fitzgerald. Give me a call if you like.

Hi Steve

I have received your referral and discussed it with our Manager. I can advise you that this referral does not meet our program mandate. You may want to talk with Inspector Pat Cahill who I understand is aware of our position regarding this and also that there have been conversations about conveying of information to the family on available services to assist them at this time. Hope this is helpful.
