I agree with this....any issues?

S/Sgt. TILLER was contacted by the SPCA this morning basically wondering if the RCMP were planning on delivering a press release with regards to the RCMP - SPCA coordination in dealing with the cats on the DUNPHY property.

S/Sgt. TILLER and I agreed that we would not have an issue with the SPCA issuing their own release that said something along the lines that the SPCA are working with the RCMP to deal with the cats.
Not an RCMP media release.
