Steve:

Justice RICHE called me this morning. He left a message on my answering machine. He apparently tried yourself first.

I called him back ([REDACTED] 079) and advised him we were waiting on the SME report for Use of Force which is near completion and the 3D Imaging which hopefully will be completed in 4-5 weeks. He was looking for an update on outstanding materials so he could put together his final report.

I reminded him again of his mandate of looking at the transparency and thoroughness of the investigation. He was in agreement.

He advised that he will be going on a trip in November and back on Nov 23rd. I advised that we had hoped for all the outstanding info to be available for him around this time.

He does not require a call back from you he informed me.

Please add this to the file.

Thanks  
Pat
