Hi Steve. Pat and I went to see Riche today. I gave him a copy of the SME report and the revised contract for an additional 25 hours.

Did Pat ask you to contact Joe and Megan about the media stuff?

Sir,

I made the change re: outside investigative service and added a line re: ongoing investigation so no further info will be provided.

Please let me know when I am okay to send this to the reporter.

Laura

"Newfoundland and Labrador RCMP's Major Crime Unit expects to complete all investigative processes and the final report into the death of Mr. Dunphy by the end of January 2016. The report will then be given to an outside investigative service for an independent review of the RCMP's investigation. As the investigation is still active, it would not be appropriate to provide further information at this time."
