Folder 060 - Polygraph

Report:

10:00 hrs. At the request of Cpl BURKE, I contacted S/Sgt Tom TOWNSEND who is NCO i/c Truth Verification Section for H and B division. I provided S/Sgt TOWNSEND the facts as we know them and confirmed that the scene examination was consistent with the account provided by Sgt. SMYTH. I asked whether or not a Polygraph would be a reasonable investigative step to take at this stage. S/Sgt TOWNSEND noted that a polygraph would not be appropriate in this case because there is no suitable issue to test. The proposed issue would be whether or not the firearm was pointed at the officer. TOWNSEND noted that this is 'interpretive' and not a suitable question. It is similar to a consent question with a sexual assault which is also not typically suited to a polygraph examination.

This report added to Folder 060 and handed in to Cpl BURKE. No handwritten notes were take in relation to this task as I was sitting at my desk when I made the call and opted to simply add my report directly into PROS.

This task recommended for conclusion here.
