Please thank Mr Daly but we are unable to conduct interviews regarding the Dunphy case and Protective Services Detail due to the ongoing RCMP investigation.

I would be pleased to discuss another topic in the future.

Subject: Interview request

Hi Constable Curnew,

As discussed, I am inviting the Chief on the show this Thursday April 16 at 10:30 AM.

I would be focused in protocol and procedure both in the Dunphy case and in general. ie:

What gets sent from the Premier's office, in so far as threats, perceived threats, matters of concern and how is prioritized for follow up?

Who makes the determination of priority of follow up, Protectives services or a larger group?

Separating a mental health concern from other issues/people to be followed up with or investigated?

How/when one officer is sent to a home rather than two?

Social media as new, possibly still grey area, or concern?

Jurisdictional concerns with RCMP.

Internal investigation vs OPP vs judicial inquiry type questions.

Leaked email

Etc...

As we also discussed, I am more than willing/open to a private conversation with the Chief to discuss the proposed interview on Openline. I will ask all the questions, not the public directly. I understand the limitations given the active investigation.

These are my opening thoughts on the hopeful 1 hour segment on our show.

Kind regards,

Paddy
