Steve

Please advise:

Thank you for the opportunity to respond. As the two cases you reference are in relation to investigations which are ongoing and being conducted by other investigative bodies we don't feel it would be appropriate to speak on these matters at this time.

Hi Geoff,

I'm putting together a piece for tonight about a number of incidents that have shaken police confidence, things like the Dunphy shooting, the Halifax SIRT investigation, one defence lawyer I talked to said the justice system hasn't kept up with the changes the province has seen over the last decade, I talked to the justice minister about this but wanted to give you guys an opportunity as well. let me know if you want to respond.

Thanks,

-Peter
