Good morning,

Can I request some assistance in seeking an update from the RCMP or ASIRT on the Dunphy file? I can no longer reasonably comprehend the time this matter is taking. I have considered almost every conceivable reason why this is happening; most of which have little foundation in reality. I usually arrive back at the simplest explanation being the most likely, but at this stage, I find that hard to believe too.

"No news yet" has become an increasingly tough phrase to swallow.

Thank you

JS
